## Town and County.

Too FREE indulgence in beer was the cause of another man losing his life in Belleaire on Saturday night. A birthday party to Chas. Richard, was given at the house of Wm. Rose, on Gravel Hill, and beer was among the refreshments. Adam Jenkins and Joseph Nicholson, both men of families, were among the guests, and remained until most of the party had gone home. By accident Nicholson tread on one of Jenkins' feet, when a quarrel ensued, and the parties concluded to go out doors and fight it out. Shortly after going out a pistol shot was heard and when the inmates of the house went out Nicholson was found lying on the ground with a pistol shot in his bowels. The wounded man was taken back into the house, where he died, after great suffering, at 3 o'clock Sunday afternoon. Jenkins was arrested and will have to suffer the penalty of the law, as well as the remorse for killing a man with whom he had always been on friendly terms.

A LIVELY interest was taken in the Republican primary in this precinct on Saturday, and a large vote polled. The struggle centered on the choice of delegates to the Belleaire Convention, and resulted in the election of delegates favorable to the renomination of Congressman Taylor, by 45 majority. The farmers, as a rule, supported the Taylor delegates, while a majority of town's people were for the opposition delegates. Mr. John Pollock was selected a member of the County Central Committee, and John Matthews, Wm. T. Hewitson, Samuel Cochran, J. F. Young, R. M. Wilkins, George, and Leland Frint, Geo. Brown, Jr., Lewis Wooten, J. C. Kintner, Harry Boroff, alternates to the County Convention.

THE coroner and festival given by the A. M. E. church of this place in the new court house hall on Thursday and Friday evenings was quite a successful affair, netting the net sum of \$82.22. The singing was good, the performances of the children were commendable, and the refreshments, as we can testify from personal inspection, were first class. The society desire to extend thanks to East Richmond friends for a handsome donation, and to the citizens of St. Clairsville for their attendance and liberality.

DURING the parade of John Robinson's circus in Martin's Ferry on Monday, one of the smaller female elephants made a rush for Earl, the little son of Samuel Thompson, who was standing on the street, and seized him in her trunk, dashed him back between her legs to the ground and tried to trample upon him, but the boy was rescued from his perilous position before he was seriously injured. The bad temper of the animal was caused by boys who had been annoying her.

MISS ELLA B. MINER, of Harrison county, an inmate of the Asylum at Columbus, committed suicide on Sunday, by jumping from the roof of the building through the skylight, which she reached unobserved, to the ground a distance of sixty feet. When picked up she was comatose and talked rationally, but died in a few minutes afterwards. Not a bone in her body was broken.

A REPORT is circulating on the street that the U. P. brethren are considering the matter of changing from brick to stone for their new church edifice. Such change would add greatly to the appearance of the building, and would be hailed with satisfaction. The congregation is wealthy and liberal, and can be depended upon to erect a church building worthy the cause and the age in which we live.

MISS ROBERT MILLIGAN, a Bridgeport lady, forty-eight years of age, gave birth to her twenty-fifth child on Thursday—a boy weighing eleven pounds. Five pairs of twins are a portion of her heritage of the twenty-five children, twenty are living and the oldest is 33 years of age.

THE weather during the fore part of this week was quite cool, and there was much anxiety about the fruit and the giants, but fortunately the mercury did not get down to the freezing point. At 9 o'clock Monday night it was 12 degrees above freezing.

THURSDAY and Friday, May 31 and June 1, is the date fixed for the Sabbath School Convention, in the new court house hall. The exercises will consist of short addresses and papers by Sabbath School workers from different parts of the county, music, &c.

WHEELING is the champion township of this county on the question of the prohibition of the liquor traffic. At the election on Saturday the vote was unanimous "against the sale" of liquor in the township.

THE residence of Thomas Walker, near Burr's Mills, caught fire from a defective fuse on Saturday, and was burned to the ground, together with adjacent buildings. Loss about \$2,000. Insured in the Ohio Farmers'.

AN axle of a freight car broke on the B. & O., near Franklin on Sunday, tearing up the track considerably and caused several cars to be derailed. Trains were delayed four or five hours.

THE Democrats of Martin's Ferry, have organized a campaign club, with Thos. J. Irwin, president, and a civil service reform postmaster, Patterson, treasurer.

MRS. ANN CAIN MARSHALL, wife of the late Robert Marshall, died at the home of her son in Barnesville, on the 5th inst., aged 97 years.

A WAYNE township man, says the Democrat, dropped about \$100, on a wheel of fortune at Wallace's circus while it was in Belleaire.

THE Union Cornet Band, of Ettaville, a first class musical organization, will give a picnic in Darrah's orchard on Saturday.

THERE were 800,000 salmon placed in Wheeling creek near Bruce Station last week, by Fish Commissioner Hofer.

THE Fishing Advertiser has entered upon its third year, and keeps right on its way as a newsy local paper.

JOHN EVANS, a citizen of Martin's Ferry, died on Friday after an illness of over a year.

ALL the Belleaire factories are again in full operation.

## THE CONVENTION.

## A FINE BODY OF MEN.

## Hon. J. D. Taylor Renominated.

## Robt. Sherrard Delegates to Chicago Convention.

The candidates and their friends were on the ground at Belleaire at an early hour Monday evening. The primaries on Saturday had settled the Congressional nomination, and the interest centered wholly in the choice of delegates to the Chicago Convention. John A. Bingham, Lorenzo Danford, Robert Sherrard (of Steubenville), and Col. Sargent and W. D. Guilbert (both of Noble) were canvassed. Noble county was divided and unable to agree, and upon the meeting of the convention after dinner was still wrestling with the matter, which delayed its appearance in the convention hall.

## THE CONVENTION.

Met in the rink at 11 o'clock, and was called to order by John A. Mansfield, of Steubenville. After prayer, by Rev. Mr. Boyd, Mr. John H. Sargent, of Cambridge, sang a couple of spirited songs, accompanying himself on a piano. Mr. Sargent is a superb singer, and it is needless to say his singing produced enthusiastic applause. Hon. Capell Weems, of Noble county, was then introduced as Temporary Chairman. Mr. Weems made a short speech, in which he deprecated the methods by which the South has been made solid for the Democratic party, and spoke of the difficulties and dangers that confront Republicans because of that situation, and the added fact that the Democrats by concentrating upon two or three States of the North, may control the country. After he had concluded, Judge Jordan, of Steubenville, was made Temporary Secretary, and J. C. Longworth (of Guernsey) and D. C. Hancher (of Noble) assistants.

The Chairman requested the counties to name members of the committee, &c., which was announced, as follows: Vice-Presidents—J. H. Close, Belmont; Benjamin Conley, Jefferson; Oliver Cope, Harrison; W. H. C. Hanna, Guernsey; H. Watson, Noble.

Resolutions—Isaac R. Lane, Belmont; J. W. Jordan, Jefferson; Thos. B. Hibbs, Guernsey; E. D. Clendenning, Harrison; E. C. Cooper, Noble.

Resolutions—James C. Tallman, of Belmont; Hon. J. D. Taylor, of Belmont; J. W. Smith, of Guernsey; George M. Piper, of Belmont; Hon. John A. Mansfield, of Jefferson; W. H. Heard, of Harrison; Alex. Cochran, of Guernsey; T. C. Williams, of Noble.

And thereupon the convention adjourned until 1½ o'clock.

## AFTERNOON SESSION.

Upon assembling after dinner, the Committee on Credentials reported the delegations full and no contest. The Committee on Permanent Organization reported that the temporary organization should be continued, and the Committee on Resolutions the following resolutions:

Resolved, First, That this convention reaffirms the principles contained in the platform adopted by the Republican State Convention at Hannan, Ohio, and declares its full confidence and belief in its Republican party as the only efficient and trustworthy vehicle for the honest, faithful and successful administration of State and National affairs.

Resolved, Second, That we condemn unqualifiedly the violence, and especially the immoral and un-American propositions of the Mills tariff bill now pending in Congress, and that we heartily endorse the courageous opposition of our Representatives in Congress to this infamous measure, and express as well our approval of his wise and patriotic course in general.

Resolved, Third, That we express our full confidence in and adhere to the able and eloquent address of the late Hon. John Sherman, and instruct the delegates this day selected to represent the Republic of the Seventeenth District at Chicago, to use all honorable means to secure his nomination as the Republican candidate for President.

Upon the arrival of the Committee on Rules and Order of Business, Mr. Sargent again favored the convention with a song. This committee finally reported, and its report was adopted, and the business proceeded with in the order laid down by the committee. The first business was the announcement of candidates for Congress. Before any of the counties were called, Col. Thos. B. Coulter arose and withdrew his name, accepting the inevitable with good grace and good temper. When Guernsey was called, Mr. M. R. Patterson, of Cambridge, announced the name of Representative Taylor for renomination. Hon. John A. Bingham arose when Harrison was called. Mr. Bingham was greeted with vigorous hand-clapping, and after quiet was restored put in nomination Hon. D. A. Hollingsworth.

After the conclusion of speeches, the counties were called, the vote resulting as follows:

County	Taylor	Hollingsworth
Belmont	49½	10½
Guernsey	32	24
Harrison	30	12
Jefferson	30	12
Noble	24	16
Total	155½	49½

The nomination was made unanimous, and calls for Taylor succeeded, but Mr. Garvin, of Cadiz, and others vigorously insisted that the convention should proceed with the order of business. A committee was appointed, however, to hunt up Messrs. Taylor and Hollingsworth and escort them to the convention.

The next business in order being the election of delegates to Chicago, Hon. L. Danford took the platform, and after stating that it would be impossible for him to go to the convention, even though chosen by the votes of all the men in the hall, put in nomination Hon. John A. Bingham. Two or three delegates attempted to get the floor, which was finally accorded to Mr. Benj. Comly, of Jefferson county, upon whose motion Mr. Bingham was elected by acclamation. A few of the Guernsey and Noble delegates voted no, ballot for the other delegate renominated by the following decisive vote:

County	Sherrard, Guilbert
Belmont	28
Guernsey	6
Harrison	24
Jefferson	42
Noble	24
Total	130

John S. Cochran, of Martin's Ferry, and T. H. Anderson, of Cambridge, were announced for Election. Mr. Anderson withdrew his name, and Judge Cochran was chosen by acclamation.

This concluded the business of the convention, and the delegates and others rapidly withdrew from the hall without

waiting for the formality of an adjournment.

The convention was a fine body of men, and notwithstanding a very bitter and heated controversy had for weeks been in progress over the nomination, adjourned in good humor and in the best of spirits.

Andrew Porterfield, of Wayne township, was elected Chairman, and Frank Archer, of Belleaire, Secretary, of the Belmont county delegation.

MATTHEW PATTON, the proprietor of Patton's coal works, on the Cleveland, Lorain and Wheeling railroad, about a mile east of Barton's, and a well known citizen, was found dead in his bed about half-past 8 o'clock on Saturday morning.

The last time he was seen alive was by a neighbor who was passing the house about 11 o'clock on the day previous, when he was engaged in driving the hogs on a barrel which he placed under a spout on the house. For a year or more it is said that home relations had not been of the most filial character, and the Wednesday previous there was difficulty between Mr. P. and his wife, and she went to a neighbor's house and remained. On Thursday she came to this place with a view of instituting divorce proceedings. A son residing at Benwood was apprised of the difficulty, and came home with the hope of settling the trouble, reaching the house at 8½ o'clock, when he was horrified by finding his father stretched prone on the bed with his clothing on, cold in death, and bearing the appearance of having been dead for some time. Upon being apprised of the fact the wife returned to the house, and sympathizing neighbors gathered and assisted in paying the last tribute of respect to their dead friend.

The circumstances of the death were such that it was deemed proper to summon Coroner Boyd to hold an inquest. The post mortem was conducted by Drs. Cope, of Farmington, Cooke, of Bridgeport, and Anderson, of Belleaire, and the examination showed that the deceased died of his death from an acute attack of congestion of the lungs.

The body was prepared for interment by Undertakers Barrett & Davis, of this place, and the funeral occurred on Sunday, interment at Farmington.

MRS. SARAH DUNN, relict of the late Caldwell Dunn, died on Monday last week, from dropsy of the chest, aged about 67 years. Nine children, four sons and five daughters, are bereft by her death. She was a much esteemed and loved mother, and her death casts a gloom over the community in which she resided. The funeral occurred on Wednesday.

Two days later her sister, Mrs. Nancy Norris, of near Washington, Guernsey county, died after a few days' illness from liver trouble, at the residence of her daughter Mrs. Robert Boyd, in Union township, aged 77 years. Both interments at Morristown.

THE entertainment afforded by Main's show on Tuesday was of a superior order of excellence, the trappings and costumes bright and clean, the performances good, and everything about the show genteel. It is quite a while since our people have seen a show so good in all its features. The tent was packed with people at night, and in the afternoon, too, there was a good audience, and it was apparent all were greatly delighted. Mr. Geo. S. Cole, the manager, is an experienced showman and a pleasant gentleman.

A UNION temperance meeting was held with the congregation of the United Presbyterian Church in the hall of the new court house last Sabbath evening. Quite a large audience was present, and interesting remarks were made by the pastors of the different churches. This is a question of vital interest, and in the closing address Dr. Ralph made some statements of almost startling importance to those who have the best interests of our town, and especially those of our young people at heart.

FLOWERS FOR DECORATION DAY. The citizens of St. Clairsville and surrounding country, as well as those of adjacent towns and villages, are earnestly requested to bring or send contributions of flowers for the use of Drummond Post, No. 203, G. A. R., on Memorial Day. Such contributions can be left at new court house hall, where the committee will be found.

ONE night last week a Urichville mother missed her little 8-year-old girl, and after considerable search found her in a saloon into which she had been inveigled, with a glass of beer in her hand dancing for the amusement of the saloonists and a party of low abandoned men who were in the place.

WINDOW SHADES—Use Hollean's Shading for window shades. They do not curl up, they do not fade, they do not become brittle by age. Free from any disagreeable odor caused by paint in other goods. A variety of colors for sale at 412-414 West's Drug Store.

EIGHT votes from Putney township, 1½ from Flushing and 1 from Mead were the votes from Belmont county for Hollingsworth in the convention Tuesday.

STREETS crowded with people on Saturday—they came in to vote for Taylor.

DR. ALONZO PORTERFIELD, of Belleaire, has been granted a pension.

CIRCUIT COURT begins at Steubenville next Tuesday.

## PERSONAL MENTION.

—John M. Danford, who has been quite sick in Belleaire for the past two weeks, came up to this place on Saturday, hoping to be benefited by the change.

—Miss Emma Fitch, who has been making her home with Rev. W. H. Haskell, at Cleveland, returned home on Saturday for a two weeks visit. She reports that Rev. Haskell and family are well pleased with their new place of abode.

—Col. Clem F. Steele, of Lancaster, was in town on Tuesday. The Colonel enjoys the society of his old-time friends here.

—Mr. E. L. Wiley, of this town, has been re-appointed teacher of penmanship and drawing in the public schools of Painesville, and \$150 a year added to his salary.

—Rev. Dr. Hollingshead will preach to the G. A. R. post on Sunday morning preceding Decoration Day.

I HAVE not used all of one bottle yet; I suffered from catarrh for twelve years, experiencing the unmitigated dropping in the throat peculiar to that disease, and nose bleed almost daily; I tried various remedies without benefit until last April, when I saw Ely's Cream Balm advertised in the Boston Budget. I procured a bottle, and since the first day's use have had no more catarrh—no soreness in the throat—no nose bleed, and I feel as if I had been cured. —D. G. Davidson, with the Boston Budget, formerly with Boston Journal.

THE Decoration Day services will take place in the court house hall. Mr. A. W. Campbell, of Wheeling, has been invited to deliver the address, and it is hoped will accept. It would be a real treat to hear an address from such a thoughtful student and brainy and broad man, and Mr. Campbell will be assured an appreciative audience if he consents.

WE have received lists of delegates to the County Convention, which meets in Barnesville, June 26, from several of the precincts of the county, and if our friends from other townships or precincts will send in the names selected and the committeemen, we will publish a complete roster of the delegates next week.

W. F. SMITH, Esq., will deliver the class address to the graduates of the Barnesville Public Schools on the evening before Commencement. Harry Lewis will respond at the banquet on behalf of the class to the toast "Class of '88."

THE tower clock upon the court house is found to be a great convenience, especially by workmen about town. Once it is carefully and accurately adjusted it will become the standard for time of the whole town and vicinity.

THE following are the names of the graduating class of 1888, of the Martin's Ferry High School: Mae M. Clark, Jessie M. Swartz, Kate S. Ralston, Asa W. Duvault, Benj. Exley and Paul Morrison.

IT is stated that large sums have recently been paid for rights-of-way on the W. & L. E. railroad from Bowerson to Wheeling, and the contract for building the road via Hopedale has already been let.

THE birth of Thomas Fry, five miles West of Barnesville, supposed to have been set on fire by flames, was burned on Friday. Loss about \$800. No insurance.

PREPARATIONS are being made by the juniors of the high school for the annual reception, which is given in honor of the graduating class.

M. B. ADAMS, Esq., has been appointed a member of the Board of Examiners of Teachers of Harrison county, vice F. B. Jarvis, resigned.

THE Woman's Foreign Missionary Society of the U. P. Church, met at Washington, Pa., last week, about 150 delegates being present from different States.

IN 1895 Jenny Jeld, in Edinburgh, visited a music seller in Prince street. The attendant, a young man, asked her if she had ever heard the "Swedish Nightingale." She replied that she had never heard of the "Swedish Nightingale." He replied that the very high price of the tickets led him to play an accompaniment to the song which she held in her hand. He did so, and at the close the singer said: "Now you have heard Jenny Jeld."

THE HANDSOME LADY. In St. Clairsville remarked to a friend the other day that she knew Kemp's Balsam for the throat and lungs was a superior remedy, as it stopped her cough instantly when other cough remedies had no effect whatever.
